PAGE 02

SAVI TECHOLOGY

## A. The purpose of this modification is to:

1. Incorporate Savi Technology Inc.'s Contract Change Proposal 0021, Proposal for Mid-size Active RFID Transponder. The proposal adds an additional RFID active transponder and associated mounting bracket to the contract. (CLINs X009CA, X009CB, X009CC)

#### 2. Correct Modification P00019 as follows:

Modification P00019 reduced the price of the Multimedia Training Package from \$38 to \$0, but this change was inadvertently neglected to be made in Option Years 4 and 5. (CLIN X039AC)

### 3. Correct Modification P00025 as follows:

Modification P00025 added CLINs X023BM and X023BN for manuals but this addition was inadvertently neglected to be made in Option Year 5. Also, the Unit and Quantity of these CLINs was missing in Option Year 4.

#### 4. Correct Modification P00026 as follows:

- a. Modification P00026 extended the ordering period for Option Year 4 and Option Year 5, but inadvertently omitted CLIN X009BD for the Plastic Transponder Mounting Kit and CLIN X015AL for the Active HHI W/Barcode Printer Transit Case for ordering in Option Years 4 and 5.
- b. Modification P00026 deleted all combination Active/Passive CLINs, but the reference to Active/Passive CLINs in the listing of plug types was inadvertently retained.
- c. Correct the reference in CLIN 4016AM and 5016AM from "CLIN 3016AC" to "CLIN 4016 AC" and "CLIN 5016AC" respectively.
- d. Restore the paragraph number for Part D-1 paragraph 3.2 and the subparagraphs of paragraph 11.4 inadvertently deleted in P00026.
- e. Restore the title and first sentence of Part D-1 paragraph 11.4 inadvertently deleted in P00026.
  - 5. Correct CLIN numbering as follows:

Since CLIN X039AB, Multimedia Training Package Master, was not offered in Option Years 4 and 5, several other training CLINs were numbered inconsistently with the rest of the contract. Accordingly, CLIN X039AB is reserved in Option Years 4 and 5 to restore consistency with the numbering of the rest of training CLINs.

- 6. Correct all occurrences of "TI/Savi" in the OEM column of the CLIN list to "Savi" in Option Year 4.
  - B. Part B-1, Supplies/Services, is hereby modified as follows:
  - 1. The Sub-Contract Line Items Numbers (SLINs) are added in accordance with the table below.

| CLIN   | DESCRIPTION   | OEM   | Model<br>No.          | QTY | Unit | Unit<br>Price |
|--------|---|-------|-----------------------|-----|------|---------------|

# C. Part D-1 is changed as follows:

- 1. Restore paragraph numbers to "ACROYMNS" in paragraph 3.2 and the subparagraphs of paragraph 11.4.
- 2. Change the Title of paragraph 11.4 to "CONTRACT SUPPORT PERSONNEL" and restore the first sentence of paragraph 11.4 to read: "All personnel performing on this contract under the following labor categories shall meet the minimum qualifications described in this paragraph."

- 3. Change the last sentence of paragraph 4.10.3.5.1 to read: "Batteries shall be user replaceable by hand or with the use of commonly available tools and have a minimum useful life of four years (assuming two interrogations of 16 bytes each per day)."
- 4. Change the third sentence of paragraph 4.10.3.5.3 to read: "The largest memory size Active Transponder shall provide an indication of low Transponder battery power to the interrogator."
- D. The following contract sections are replaced in their entirety:

Part B-2, Option Year 4 Part B-2, Option Year 5 Part B-2, Attachment

Part D-1

Changes in Microsoft Excel are denoted by a bar ( | ) in the right margin.

Changes in Microsoft Word are implemented using the highlight (but not strikethrough) technique as follows:

Under Tools, Options, Track Changes Tab:

Inserted text; Mark: Underline, Color: Blue Changed lines; Mark: Right border, Color: Auto

E. As a result of this modification, there is no change in the total amount obligated under the contract.
